MICHEL LYNCH

AOC BORDEAUX WHITE 2021
12%

This wine pays tribute to Michel Lynch, a name that is inextricably linked with the great wines of Bordeaux. Born in 1754, he devoted his life to improving the wines on his estate now known as Château Lynch-Bages.

The wine that bears his name has passed through the hands of a renowned winemaking team.

It is crafted from a selection of the Bordeaux vineyard's noblest grapes, which have been harvested at maturity and carefully vinified.

Michel Lynch is an elegant and fruit-forward wine, a perfect reflection of its rich terroir, one of the most prestigious in the world.

Vintage Conditions

A mild and rainy winter, a particularly hot month of February and the summer weather in the beginning of spring, the bud break occurred early. The intense frost episode during the nights of April 7 and 8 caused historic damages to the entire French vineyard. The vegetative cycle was very disturbed but hope is reborn with the counter-buds which restart in the last week of April thanks to milder temperatures. The very wet month of June created millerandage and coulure phenomenon, limiting again the harvest potential. Great vigilance in the vineyard allows the grapes to mature in good sanitary conditions despite a complicated climatology.

Thanks to the cool summer the aromatic precursors of Sauvignon was preserved. Harvested at the beginning of September, the first juices are very expressive and show great liveliness.

Tasting notes

With a beautiful pale and brilliant color, this vintage reveals an intense, explosive bouquet with citrus, white peaches and lychees notes.
